## Principal's Corner...

Dear St. Mary's Family,

New Fundraiser: Please email, message, share on Facebook, Tweet, etc. with anyone you know that may be interested.

**Important Note:** In order for the students and families to get credit for prizes, you must include the student's name in the comment section of your donation!

Each year St. Mary Star of the Sea school reaches out to members of our St. Mary's family community to raise funds for improvements to our school. This year, we are giving family and friends the opportunity to personally select where their support will go...directly!

The Invest in Success fundraiser campaign will allow you to customize your donation. The staff of St. Mary's school has provided their classroom, maintenance, and school-wide needs. The fundraiser allows you to cater your donation to the area you'd most like to support.

This site allows grandparents, aunts and uncles, friends, and other family members the opportunity to support St. Mary's...no matter where they live! Our students will directly benefit, and you, the contributor, can feel great knowing that your donation will directly impact your student!

The students of St. Mary's ask for your support! For every family donation received, the children will have the opportunity to win weekly prizes. One participating family will be randomly chosen for a Grand Prize! Thank you for your continued support of St. Mary's School. Below is the link (or share the post on our school Facebook page).

God Bless!
