

Principal's Corner...

Dear St. Mary's Family,

What a great 1st quarter! We are so excited to conference with everyone. Whether you feel you need a conference or not it is important to check in with our excellent teachers on how your son or daughter is doing. This communication is critical to helping our students build a strong foundation. We are grateful to partner with you in the growth and development of your children. Equally, we feel blessed that you and your children are a valued part of our St. Mary Star of the Sea community!

Many of our families attend Sunday's 10:00am Mass! Come and sit with us and celebrate Jesus with us! Feel free to call me and sit with us if you are nervous about sitting alone.

Thank you for all that you do to make St. Mary's great! You are a blessing.

**God bless and go CELTS!
See You at Mass,**
